## CRITERION I - CURRICULAR ASPECTS

### 1.1 Curriculum Planning and Implementation

1.1.1 Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

To ensure effective curriculum delivery, the institution, before the commencement of the academic year, develops action plans for the implementation of the curriculum through the IQAC. The IQAC prepares the academic calendar, chalks out programmes and time table for conducting classes in every semester. Keeping in view the number of working days available in the light of the Academic Calendar issued by the Karnataka State Law University, the syllabus is divided into units which are to be finished by a given time schedule. The Principal and the IQAC Coordinator monitors the activities by holding regular meetings with the members. Principal allots the subjects to faculty members after giving due consideration to their performance, specialization, experience, expertise and interest of the subject. During the beginning of the every Semester the teachers will be asked to prepare the Lesson Plan on every Unit of the Subject assigned to them. In the Lesson Plan every teacher have to design the module/method of execution of each chapter in the subject., like synopsis of the chapter, important concepts likely to be addressed, important legislations, important judgments/decisions of the Courts, and documentary films related on the subject to be shown to class, etc., were few of the important details that will be shown in the Lesson Plan.

The Institution has adapted a very novel feature of curriculum execution technique, like featuring of Documentary Films in the class rooms, downloaded and documented from certain very authorized/credible internet/website sources.

Towards the very effective delivery of curriculum the teachers are encouraged to make the rigorous use of ICT based methodologies, like use of OHP, PPT, Visualizers and Smart Boards.

Every teacher has to prepare a concise type of notes on their respective subjects and circulate among the students. This aspect has become so helpful for students to have in advance about the clear picture of the entire subject and also prepare the self prepared detailed notes based on the concise notes given. Every teacher has to provide the PPT slides prepared by them available for the students.

In the Lesson Plan of the subject, the Time Table/Schedule will also be given, mentioning the time bound within which the entire syllabus in every Unit is planned to be completed, and also the time by which the entire portion in the syllabus by the end of the semester will be mentioned.

The Lesson Plan will show the tentative time of conducting the Unit Test, Internal Assessment Test and also the Semester End Test.

In the Clinical/Practical Papers the practical exercises are conducted and documented as per the University regulations/guidelines.

Teachers are encouraged to impart the curriculum through innovative teaching methods such presentations, assignments, discussions, workshop, seminars, guest lectures besides the regular class room exercises.

Furthermore, for effective curriculum delivery, the institution conducts special remedial classes for slow learners and repeaters.

2.5.2 Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The Institute is affiliated to Karnataka State Law University, Hubli and follows the examination pattern of the University. University circulars are strictly adhered to with respect to internal evaluation process. Continuous Internal Evaluation is a mandatory requirement as per the University guidelines. Until 2017 the University prescribed for continuous internal evaluation of students only on four clinical courses. These clinical courses were entirely evaluated internally and marks were sent to University. Now, excluding the clinical courses, the University has introduced internal assessment system for UG students from August 2018. Under this programme, each course is to carry 100 marks. Out of these 100 marks, 20 marks shall be awarded by way of internal assessment. End semester examination for each course is conducted for 80 marks out of which the student should secure a minimum of 40 for passing. Internal assessment marks are awarded on the basis of performance of student's written test for 10 marks, written submission of assignment topic for 5 marks and Seminar presentation on the assignment topic for 5 marks. The test for internal assessment for each course is conducted in the 10<sup>th</sup> week of each semester. Students are to write one essay answer for 7 marks and one short notes or problem type question for 3 marks. The test shall be for one hour. Assessment of performance of the students is an integral part of teaching and learning process. Regular Internal tests, Surprise tests, Preparatory tests and seminars are conducted during every semester term. Surprise tests and revision on the basis of previous year question papers is done after the completion of each unit of the syllabus and periodic review of performance of the students is undertaken.

Students are given the information about the Evaluation process during the beginning of the every academic year. The dates for Semester exam, Internal tests and preparatory tests will be displayed in the College calendar. Dates will also be displayed in the Notice board. After the tests the consolidated marks obtained each student will be analysed by the subject teachers. Seminars and Assignment exercises are rigorously conducted as per the University guidelines. Effective exercises on the practical papers/Clinical papers like Moot Court Exercise & Internship, Drafting of Pleading & Conveyances, Alternative Dispute Resolution & Mediation, Professional Ethics & Accountancy for Lawyers are so rigorously conducted. During the end of each Semester the Viva-voce is also organised in the Clinical papers to evaluate the overall performance of the students.

The final exam result analysis is done by the Principal & Staff during the meeting. The pass percentage of each course is calculated by dividing the total number of students appeared and passed in each course. The performance of the students will be verified and feedback will be taken during the staff meeting. Principal conducts the Review meeting to collect the necessary feedback from the concerned teachers who are assigned with the task of Tutor-Ward System.

The Institution is keen to address about the performance of the students during the Parents- Teachers meetings.

Remedial Classes are conducted for the slow learners and other interested students.

The Institution will maintain the test papers and assignments systematically for inspection by the University. The student has to fulfil the requirements in the same semester in the same batch. There is no provision for improvement/attempt. Students remaining absent on medical ground may be given a chance to take the internal assessment exercises by the Principal. The proper records in this regard will be maintained. The Coordination Committee of the University review the marks allotted by the course teacher. The Committee shall inspect the marks allotted by the course teacher. The Committee shall inspect the marks awarded to various components to make out if objective standards are followed in awarding marks. In case the awarded marks are found to be arbitrary, the same shall be reported to the University. Internal Assessment of Clinical Courses I to IV Internal Assessment is to be carried out within the stipulated time. After completion of the internal examination, the faculty evaluates the answer scripts and the marks are sent to the University. The conduct of Internal Tests along with results are reviewed in the IQAC meetings with result analysis and the remedial actions for further improvements are suggested after discussion with faculty. The internal assessment marks will be sent to the University.
