A special meeting was called on 16.02.2019, Saturday, by the Principal to evaluate the students appraisal of teachers. The feed back forms were taken up for the verification one by one of each faculty and the Principal made note of the remarks and scores given by the students for each teacher and also took the separate note of matters of concerns raised by the students in their feedback.

Thus the result of the evaluation was as follows;

- (a) Students have shown their satisfaction over teachers preparation for the classes, punctuality in conducting classes, planning and completion of the syllabus by time;
- (b) Fair evaluation of internal tests and preparatory tests and the conduction of remedial classes/Doubt clearing classes are found to have appreciated by the students;
- (c) But, some feedback have shown their displeasure over clarity of presentation and clarity of expression like language and voice.

In the end the Principal has suggested to look into the aspects which the students have shown their displeasure and try to fulfill the requirements.
