THE MONTHLY SYMPOSIUM POST BOX 338 NEW DELHI 110001

a journal which seeks to reflect through free discussion, every shade of Indian thought and aspiration. Each month, SEMINAR deals with a single problem. Those who hold different and at times opposing viewpoints express their thoughts. There is no editorial, no summing up. Readers are free to judge the facts for themselves. In this way it has been possible to answer a real need of today, to gather the facts and ideas of this age and help thinking people to arrive at a certain degree of cohesion and clarity in facing the problem of economics, of politics, of culture.
