Note of observation/work taken up

As it was the first day of my internship. It was made to sit with my senior (his name T. Nagaraju B.Sc. LL.B.) in his office & see how he works.

Then I asked my senior "what is the meaning of 'pleading' and 'drafting'?" He interacted with me.

To gain the practical knowledge of advocacy I met a senior with the consent / permission letter given by court exercise & Internship co-ordinator Chaudharya Sir. Senior advocate welcomed me with smile & signed to permission letter & allowed to his office for internship.

- a) Any adjudication from which an appeal lies as an appeal from an order, or  
b) Any order or dismissal for default.

Explanation: A decree is preliminary when further proceedings have to be taken from before the suit can be completely disposed of. It is final when such adjudication completely disposes of suit. It may be partly preliminary and partly final.

Judgment is defined in section 2(9) of the C.P.C which says judgment is the statement given by the judge on the grounds of a decree or order. Judgment refers to that what the judge writes regarding all the issues in the matter and the decision on the each of the issues.

As it was my first day of the office, I came across with the word 'notary' in my senior office. I asked my senior "what is the meaning of notary?". He interacted me as follows:

A notary is a publicly commissioned official who serves as an impartial witness to the signing of a legal document.

Document signings where the services of a notary are generally necessary are real estate deeds, affidavits, wills, trusts, powers of attorney, bills of sale, or other official transactional documents.

Notary History:

According to the National Notary Association (NNA), notaries were used as far back as 2750 BCE in Egypt and Sumeria.

The Roman Empire used notarii and scribes to witness and document everything from speeches to wills and to create official documents.

The first recognised notary was Titus, a Roman servant who developed a shorthand for recording speeches.

### Duties of a Notary:

- Identifying fraud
- Affirming the state of mind of participating parties
- Verifying and recording the identification of agreement participants
- Completing notarial certificate on all documents
