(i) Pleading:

The world "plea" is taken from or delined from french dictionally. In The Civil placedule (ode (1908) pleading means a statement of the Case which Contains facts of the Case, played for reliefs the.

Pleading in general is playing of sophaining about a visite at stic facts and convincing the authority to get what one wants . Pleading in Court of law is usually the Statement of Complaint of plaintiff (blaint) and Statement by defendant (within Statement). The drafting of pleading is a very important phase in the Mofession of advocates as the whole cose will be standing on the plea.
